10 March 1958

MEMORANDUM FOR: OTR

25X1A9a

ATTENTION:

25X1A14a

SUBJECT:

Proposed [REDACTED] Course

25X1A14a

REFERENCE:

[REDACTED] Course No. 35

25X1A14a

1. The following comment and recommendations vis-a-vis the projected 2 week [REDACTED] course are submitted for your consideration.

25X1A14a

2. The objectives of the course should be along the lines of "c" and "d" of the reference. That is to emphasize the operational aspects of [REDACTED]. (This is based on the assumption that the course is concentrated on the training of [REDACTED] officers, rather than a diverse group). This orientation would therefore minimize if not eliminate lectures on support, orientation to aspects of Agency organization not related to [REDACTED], etc. 25X1A14a 25X1A14a

3. If the course as presently contemplated would be restricted to a two-week schedule, it is recommended that consideration be given to setting up a senior seminar for dealing with advanced problems and responsibilities in [REDACTED] (This might include separate sections etc.). 25X1A14a

4. Assuming approximately 60 hours of classroom time are available (not including tests, study-time, etc.) it is suggested that appropriate allocation of time be given to the following categories of material:

- a) Doctrine, Concepts and Method of [REDACTED] 25X1A14a
- b) Case Histories of Pertinent Operations 25X1A14a
- c) [REDACTED] Problems and Exercises Requiring Student Participation 25X1A14a
- d) Subjects Directly Related to [REDACTED] Operations.

25X1A14a

5. To impart the necessary continuity to the course and afford occasion for systematic critique and analysis of the lectures, it is recommended that one or two individuals give the basic lectures. They should, of course, be supplemented by outside lecturers (e.g. case histories, [REDACTED], etc.).

6. Attached are some suggestions on allocation of subjects and time re the categories mentioned in para. 4 above.
